

DON'T MAKE ME ANGRY 1
PROGRAMME 1: SCOTT

ACTIVITIES

Rachel witnesses an argument between Scott and his mum

The argument in the clip takes place just after Scott has trashed his mother's garden, to show her how angry he was. However, his mother doesn't know why he was angry. Rachel points out that they both get upset for the same reasons:

- Not being listened to
- Feeling blamed
- Being let down.

Fill in the following chart, highlighting what was good and bad about their argument. Include comments on their body language.
