

DON'T MAKE ME ANGRY 1
PROGRAMME 4: JENNY
ACTIVITIES

Rachel tries to understand the family dynamic

In this scene we learn how Jenny's family behaves on a regular basis: talking behind backs and, when confronted, not telling the truth, just acting as though nothing has happened. Do you think it's best to be honest with people? Think of one or two situations in which you dealt with a difficulty in the way Jenny's family does.
